

BRAVECTO® Flea Free Year Offer

Your vet has prescribed BRAVECTO®
to your dog

A revolutionary new treatment
that protects against fleas and ticks
for up to 12 weeks, giving you
extended peace of mind on control
of these common parasites.

The Flea Free Year Offer

You can be part of the BRAVECTO® Flea Free Year Offer
by filling out the wallet card below. Once three doses of
BRAVECTO® have been dispensed (within a 12 month period),
this offer enables your vet to prescribe your dog the 4th
dose of BRAVECTO® for free. The practice will stamp this card
each time BRAVECTO® is dispensed and the 4th stamp will
indicate your FREE dose of BRAVECTO® has been claimed.

You can tear off the card and keep this in your purse or
wallet to ensure you always have it with you. Once you
have received all 4 stamps you must exchange this at
your practice to claim your free dose.

Please note, you can purchase all 3 treatments and claim
the 4th free at the outset, if this is more convenient to you.
